VOTING ACCESSIBILITY FOR THE ELDERLY AND DISABLED - RESPONSIBILITIES

1. Facilitator - Clark County ADA Coordinator.
2. Clark County Auditor - Responsible for policy development, providing voter accessibility to polling places and plan implementation.
 - A. Review of polling places for accessibility - Requires polling places to be physically accessible to people with disabilities for federal elections. Where there is no accessible location available to serve as a polling place, a political subdivision must provide an alternate means of casting a ballot on the day of the election.
 - B. Elections by mail.
 - C. National Voter Registration Act - Requires all offices of state-funded programs that are primarily engaged in providing services to persons with disabilities to provide all program applicants with voter registration forms, to assist them in completing the forms and to transmit completed forms to the appropriate State official.
 - D. Every two years the Clark County Elections Department must report to the Washington Secretary of State on the status of election poll accessibility.
 - E. The Clark County Elections Department will provide, upon request, readers, large print documents and audio tapes of election pamphlets and related elections publications that are available to the public.
 - F. The Clark County Elections Department must abide by the provisions of the Help America Vote Act (HAVA) by 2006. Federal funding is available to the county to acquire the necessary hardware and to replace punch-card ballot systems.
